\* The stated consumption and CO<sub>2</sub> emissions figures are based on the actual unladen weight of the vehicle. Additional equipment options can lead to classification into a higher weight class and thus to higher consumption and emissions. Depending on driving style, road and traffic conditions, environmental influences and vehicle condition, the actual consumption and emissions values can vary from the values given here.

Manufacturer/Model	Power kW	Fuel type	Mileage miles	Year	Consumption *	CO2 * g/km	Price £
