### Audi code

**A61AX0LT**

#### What is the Audi code?

An Audi Code refers to a saved vehicle. You can use the Audi Code to search for a saved vehicle in the Audi Used Car Locator. Your centre can also lookup the configuration of a saved vehicle using the Audi Code.

### Your vehicle in the mobile web

#### What is the QR-Code?

You can open your configuration on your mobile phone by scanning the QR Code with your mobile phone. Furthermore, you need a software that allows you to scan the QR code.

Please be aware of potential extra mobile data charges if multimedia content is requested via your QR code app.

## Fuel Consumption\*

urban	24.8 mpg
extra-urban	37.7 mpg
comb.	31.7 mpg

## CO<sub>2</sub>-Emissions\*

comb.	204 g/km
-------	----------

\*The stated consumption and CO<sub>2</sub> emissions figures are based on the actual unladen weight of the vehicle. Additional equipment options can lead to classification into a higher weight class and thus to higher consumption and emissions. Depending on driving style, road and traffic conditions, environmental influences and vehicle condition, the actual consumption and emissions values can vary from the values given here.

## Optional equipment

**21" x 8.5J '5-V-spoke polygon' design alloy wheels in titanium grey, diamond cut finish with 255/35 R21 tyres**

**3-zone climate control system**

### Audi Phone Box with wireless charging

Offers wireless charging (with Qi-enabled compatible phones). For mobile phone and software version compatibility, please visit your Audi Centre or [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility)

### Bang & Olufsen 3D Sound System

The system features 15 loudspeakers including a subwoofer and centre loudspeaker and a 16-channel amplifier with an output of 680 watts. The 3D sound effect ensures an intense sound experience for all occupants. Exclusive speaker covers with aluminium applications. The sound is permanently adapted to compensate for driving and background noises determined by a microphone

### Door mirrors (folding with auto-dimming function)

With auto dimming function for both the driver's and passenger's side. Electrically folding, adjustable and heated with built-in LED side indicators and kerb-view function for passenger side.

### Extended Ambient Lighting Pack - multi-coloured

In addition to Ambient Lighting Pack, it includes coloured lighting in the following areas: • Contour lighting for the doors • Ambient upholstery lighting for the doors, front/rear • Ambient lighting at the side of the front centre console • Storage compartment underneath the instrument panel • Illuminated quattro logo or Audi rings (with front-wheel drive) in the instrument panel on the front-passenger side  
A choice of 30 colours are available (10 colours for the quattro logo/Audi rings)

### Matrix LED headlights with LED rear lights and dynamic front and rear indicators

- Matrix LED headlights with LED rear lights and dynamic front and rear indicators

### Rear-view camera

An image of the area behind the vehicle is displayed with dynamic display modes highlighting the calculated path (steer-angle dependent). Reversing camera is concealed in the handle strip of the luggage compartment lid.

### Storage Pack

Includes the following items in the car: • Storage nets on the backs of the front seats • Storage compartment under the front passenger seat  
Includes the following in the luggage compartment: • Luggage compartment net • 2 LED lights in the tailgate to illuminate the luggage compartment • 12V socket

**Tire pressure monitoring system 433 MHz High**

**Trailer hitch preparation**
